So lucky to enjoy an amazing meal here with a Chinese delegation interested in our shire. The Old Bank displayed our fantastic food and produce grown on the Macleay. Chef Tania excelled herself with stunningly presented food. Super.

Beautiful Coffee ★★★★★

After having lunch earlier at the Hotel, we popped into the Old Bank for coffee and it was delicious!! The staff made us feel so welcome even though we were only having coffee....We sat in the garden and it was so peaceful and relaxing...We will be back to have lunch next time and of course another beautiful coffee!

Beautiful building, great food! ★★★★★

We had lunch here and enjoyed the beautiful river vista. We waited a while for our food to come out but it was well worth the wait and the service staff were friendly and nothing was too much trouble. Would eat here again for sure. Don't miss it if you are in the area.

Breakfast with style ★★★★★

What a great place to start a special day. I took my husband for breakfast for his birthday. Excellent service, great atmosphere and fantastic food. I recommend the omelette and my husband loved the big breakfast. Treat yourself ! Reviewed 29 January 2017 [via mobile](#)

Some of us were delighted with a special seafood chowder and others couldn't go past the Bank Manager's Burger, what a special treat. Ambience a plenty - aussie sunshine, shady tree, with a view of a bend in the beautiful river. And this was complimented with good service from friendly staff. We had a beautiful high tea outing at the Old Bank Gladstone!

Firstly, we were greeted by the friendly owner Allan who showed us to our table outside the cafe with a gorgeous view of the river. Allan continuously checked on us throughout the service asking if we required anything or was there any questions etc.

Second, Tania (owner and wife of Allan) came out to introduce herself to us at the beginning of the high tea and thanked us, yes thanked us for coming to their establishment to enjoy there service offering.... I mean seriously, I don't think that I have ever been to a cafe where the owner/chef takes their time to come out and thanks you for coming to their establishment... this hooked me, unbelievable!

As you can imagine the rest of the three hour period that were remained there for chatting, eating, drinking was just magical, the food, the atmosphere the service, just magical!!

Thank you Allan, Tania and your team for one of the best high teas we have ever been to!!

Well done..... Reviewed 14 January 2017

Had a delicious lunch today at the Old Bank Cafe. Sat under the mango tree looking out on the river. The gardens were a riot of colour with a bright orange tree a frangipani and a mauve crepe myrtle tree. Shared a seafood box. The coating on Panko crumbs was delicious and finished off with a berry roulade. Lyn our waitress was cheerful and friendly. My only regret is that I live in Sydney and can't make this one of my favourite places. Reviewed 3 January 2017
